NOTES AND ORDERS

Municipal Collection C of 15-49 (Sls 12-14) issuing the preliminary notifications in respect of the above ~~proposal~~ acquisition of properties in part of the proposal item was to acquire 4.8 Sq. yds of land with certain constructions on of municipal no 24 of III A Division

2) In the final declaration Statement now sent up for sanction the property is said to lie in III C Division and it is not clear

also this is due to a further bifurcation of Division 'A' subsequent to the issue of the preliminary notifications as otherwise the description of the property would vary with the various proceedings that requires verification and consultation of the Law Dept.

3) Instead of acquiring 48 Sq. yds on the site as originally notified the proposal is now ~~proposed~~ to take only 12 Sq yds, municipal as 36 Sq yds of land are proposed to be given in exchange (for an equal extent of land on the site) to which the party has agreed. These details have been clearly noted in the declaration statements. The proposal now is to set up (1) exchanging 36 Sq yds of land with the party and (2) acquiring 12 yds in the same area. It is not known whether the two could be so mixed up as this is done by an agreement between the parties under the Civil Law and this is a matter for acquisition proceedings under the L A Act. Law opinion may be necessary on this point also.

SUBJECT - ACQUISITION OF PORTION OF DOOR NO 24, SETTY MUDDAPPA'S LANE (VAJAPLYAM KRISHNAIAH LANE), AKKIPET, III C DN BANGALORE CITY, FOR WIDENING THE LANE

--oOo--

With reference to the Government Notification No L 4940/C M.15-49-13 dated the 17th November 1949, authorising me to hear objections under Section 5 (A) Land Acquisition Act, on the above subject. I write to state that a notice was issued and served on the owner on 13th December 1949 calling for objections if any on the proposed acquisition In response Sri P.Muniswamappa presented a petition with a sketch on 20-12-1949 and stated as follows -

He had no objection on the proposed acquisition, in the area of 424 sq. ft of land proposed to be acquired, a bath room, latrine, cow-shed and a well were located and after the acquisition proceedings were over he would be deprived of the said facilities for his building. to provide himself with those facilities he would ~~have~~ suggest to grant him a piece of Corporation land measuring 324 sq ft (36 sq yds) adjacent to his building in exchange, etc

Then the Corporation Engineer was requested to verify and report whether the land asked for in exchange

P T O

could be made available for disposal. Accordingly he prepared and submitted a sketch showing the area of land propos to be acquired and the area could be granted to the party in exchange vide his report No E4 GL.1311/50 dated 16-6-1950 In the meanwhile, a notice was issued to the owner to intimate thi office whether he would be agreeable to accept the proposal of Corporation Engineer regarding grant of exchange of land In re response, the party appeared before this office on 2-8-50 and gave the following statement

1 He would accept the amount awarded by the Acquisiti Officer for the excess area of 12 sq yds. of land and the building portion under acquisition.

2. He would not prefer an appeal in the Civil Court against the award passed in the case

3. He would agree for the proposal made by the Corpora Engineer with regard to grant of exchange of land in this case

4. He should be permitted to dismantle the building portion existing on the land proposed for acquisition and to remove the materials at his own cost and no compensation need b paid to him for the structure

Thenx a detailed note dated 7th August 1950 regarding grant of exchange of land to the owner of the property was plac before the Standing Committee (TOWN PLANNING & IMPROVEMENTS) he on 14-12-50 for consideration, wherein they sanctioned the exch of land as proposed in the enclosed plan The said resolution was approved by the Standing Committee (TAXATION & FINANCE) and the Corporation held on 20th February 1951 and 14th May 1951 respectively Copies of the proceedings of the Standing Commi and the Corporation are herein enclosed for favour of kind reference

According to the enclosed plan an area of land measuri 432 sq. ft. (48 sq. yds.) marked in red dots will be acquired fr the party and in exchange a bit of corporation land measuring 324 sq ft. (36 sq. yds) marked in black dots will be granted

granted to the party So, the owner will be paid compensation for the excess area of 12 sq. yds. of land and no compensation will be paid for the structure, as he would be permitted to dismantle it and to remove the materials at his own cost, as agreed to by him.

The final declaration statements have been prepared and sent herewith for favour of kindly arranging publication in xx the official gazette.

The estimated cost of acquisition for the excess area of 12 sq. yds. of land amounting to Rs.207/- will be met out of the Corporation Funds in the current year's budget.

I request that sanction of Government for the exchange of Corporation land and to award compensation for the excess area of land proposed to be acquired may kindly be obtained authorising me to take order for the acquisition of the said land under Section 7 Land Acquisition Act In this connection it may be stated that in the preliminary notification it has been published that the property under acquisition is situated in Vajapeyam Krishnaiah Lane, Akkipet, III A Division. But on further verification it is ascertained that the said property is actually situated in Setty Muddappa's Lane near Akkipet in III C Division, Vajapeyam Krishnaiah lane is actually called as Setty Muddappa's lane. Accordingly necessary corrections have been made in the draft final declaration statements enclosed.

The Compiler, Mysore Gazette, may be requested to send 15 spare copies of notifications of each set to this office as usual
